

Олга Хаџић

БИБЛИОГРАФИЈА

Монографске публикације и уџбеници

Монографије

1. Олга Хаџић (2008). *Управљање одрживим развојем културног туризма у Новом Саду*, Природно-математички факултет у Новом Саду, Департман за географију, туризам и хотелијерство, 171 страна.
2. Олга Хаџић, Милена Недељковић (2008). *Мотивација за рад и задовољство послом у организацији*, Природно-математички факултет у Новом Саду, Департман за географију, туризам и хотелијерство, 341 страна.
3. Олга Хаџић (2005). *Културни туризам I део* (од стране 3 до стране 310 у књизи Културни туризам чији су аутори Олга Хаџић, Гордана Стојаковић, Ксенија Херман-Милинковић, Татјана Ванић и Иван Ивановић, Природно-математички факултет у Новом Саду, Департман за географију, туризам и хотелијерство, 353 стране).
4. Олга Хаџић, Милена Недељковић Кнежевић, Татјана Пивац (2018), *Менаџмент одрживог развоја културног туризма-стејкхолдерски приступ*, Природно-математички факултет, Департман за географију, туризам и хотелијерство, 258 страна.
5. O. Hadzic, E. Pap (2001). *Fixed point theory in probabilistic metric spaces*, Kluwer Academic Publishers, Dordrecht/Boston/London, 273 strana.
6. Olga Hadžić (1995). *Fixed point theory in probabilistic metric spaces*, Serbian Academy of Science and Arts, Branch in Novi Sad. University of Novi Sad, Institute of mathematics, 129 strana.
7. Olga Hadžić (1992). *Teorija nepokretne tačke za višeznačna preslikavanja i primene*, Vojvođanska akademija nauka, Novi Sad., 107 strana.
8. Olga Hadžić (1991). *Neke klase slučajnih operatorskih jednačina*, Univerzitet u Novom Sadu, Institut za matematiku, 97 strana.

9. Olga Hadžić (1984). *Fixed point theory in topological vector spaces*, Institute of Mathematics, Novi Sad, 337 strana.

10. Olga Hadžić (1978). *Osnovi teorije nepokretne tačke*, Institut za matematiku u Novom Sadu, 315 strana.

Поглавља у монографијама

10. Hadžić, O. Grubić-Nešić, L., Nedeljković, M. (2007). Istraživanje korelacije dimenzija ličnosti zaposlenih i njihovog zadovoljstva poslom u uslovima tranzicije. U monografiji *Psihologija i društvo* (M. Biro i S. Smederevac urednici), 245-274. Filozofski fakultet u Novom Sadu, Odsek za psihologiju.

11. Olga Hadžić, Endre Pap (2004). Triangular norms in probabilistic metric spaces and fixed point theory. U monografiji *Logical, algebraic, analytic, and probabilistic aspects of triangular norms* (Eds. E.P. Klement, R. Mesiar), 443–472, Elsevier B. V., Amsterdam.

12. Hadžić, Olga, Pap, Endre (2003). New classes of probabilistic contractions and applications to random operators. U monografiji *Fixed point theory and applications* (Eds. Y. J. Cho, J.K. Kim, S. M. Kang), 97–119, Nova Sci. Publ., Hauppauge, New York.

Уџбеници и збирке задатака

1. Olga Hadžić, Đurđica Takači (2010). *Matematičke metode za studente prirodnih nauka*, Symbol, Novi Sad, 580 strana.

2. Olga Hadžić, Stevan Pilipović (1996). *Uvod u funkcionalna analizu*, Univerzitet u Novom Sadu, Edicija „Univerzitetski udžbenik“, 27, Prirodno-matematički fakultet, 204 strane.

3. Olga Hadžić (1990). *Odabrane metode teorije verovatnoće*, Institut za matematiku, 300 strana.

4. Olga Hadžić (1989). *Numeričke i statističke metode u obradi eksperimentalnih podataka, I deo*, Institut za matematiku, Novi Sad, 320 strana.

5. Olga Hadžić, Danica Nikolić-Despotović (1980). *Zbirka rešenih zadataka iz funkcionalne analize*, Prirodno-matematički fakultet u Novom Sadu, Institut za matematiku, 270 strana.

6. Olga Hadžić, Danica Nikolić-Despotović (1979). *Verovatnoća i matematička statistika*, Centar za obrazovanje kadrova u društvenim delatnostima „Jovan Jovanović Zmaj“ i Zavod za izdavanje udžbenika, 280 strana.

7. Olga Hadžić, Mirko Budinčević (1976). *Odabrane matematičke metode za hemičare*, Prirodno-matematički fakultet u Novom Sadu, 230 strana.

8. Olga Hadžić, Endre Pap (1972). *Zbirka zadataka iz funkcionalne analize*, Prirodno-matematički fakultet u Novom Sadu, 134 strane.
